NEW CLIENT

We hope this letter finds you happy and in good health. As we head into the 2022-2023 tax season, we have some very important news to share. As many of you are aware, in 2022 we were an office of three. On September 7, 2022, we unexpectedly lost our beloved employee and friend, Marie Larsen-Mance, to a sudden illness. Since September we have had time to accept her passing and regroup to strengthen this firm to better serve you in 2023 and beyond. Kelly Rogers, EA, who worked with us part-time last year, has joined the firm full-time. Additionally, we have added two new administrative members to the team. Please welcome Kele Siva, Administrative Assistant and Hayley Maderski, Bookkeeper.

You can still find us at **7851 University Ave. Ste 208, La Mesa, CA 91942.** All drop-offs, mail-in and in-person appointments will be at this location. **There is a lift for those unable to use the stairs. If you need to use the lift, please call our office to make arrangements in advance of your arrival.**

As everything in the new millennium moves online and outsourced, we want to assure you we are here in the office preparing your returns ourselves. Due to health and safety concerns, in-person appointments will continue to be limited to absolute necessity and will only be 15 minutes in duration. We work on a first in, first out basis and do not complete tax returns while you wait. We are encouraging clients to drop off, mail in, or upload your documents via our secure client portal. **If you would like more information on using our secure client portal, please contact the office.** You do not need an appointment to drop off your tax documents.

We **still recommend** that you try to sign up for personal online accounts with the IRS and FTB (State of California Franchise Tax Board). This offers many benefits to you, including, but not limited to having the ability to monitor your federal and state tax accounts. Admittedly, with the IRS implementing the ID.me protocol, it can be difficult to complete this process with them. The Franchise Tax Board currently does not use the ID.me protocol, so it is an easier process. It is ok to register with the FTB first and then the IRS; you do not need to have one to get the other. You may sign up for these accounts online at:

<https://www.irs.gov/payments/your-online-account>
<https://www.ftb.ca.gov/myftb/index.asp>

Please read this and the engagement letter thoroughly and use the included organizer to help you gather all the documents necessary for us to prepare your tax returns. Italiano Tax Solutions, Inc. updates your tax organizers for the current tax year. We provide the tax organizer for your convenience in gathering all essential tax documents. It is meant to be a tool to help you, not a burden. However, it is imperative that you; sign the engagement letter, review your pre-printed information for accuracy, and read and answer "Yes or No" to each and every check box on pages ORG3. These questions are important to help us identify additional tax forms that may be needed, thereby ensuring your tax returns are complete and accurate.

We would like to thank our current clients and welcome our new ones. We truly appreciate your business, and we are grateful for the trust you have placed in us. Without you, we would not be here. We are excited to have all of you as clients and look forward to working with you this year and for many years to come.

With appreciation,
Italiano Tax Solutions, Inc.

AUDITS

The climate within the IRS and the state taxing agencies is changing when it comes to audits. In general, the number of IRS audits has increased dramatically. Due to this rise, more than ever you need to exercise extreme caution and care in assembling and preparing your records for the preparation of your tax return. The following are procedures that you are agreeing to and policies that Italiano Tax Solutions, Inc. will follow:

You understand that all tax agencies have the right to examine your returns, and that you are ultimately responsible for retaining all the documentation and records which were used to compile your returns.

- This is especially important in the area of EITC and other child/dependent credits, business travel, entertainment deductions, business use percentage of autos and home use, other depreciable assets, bartering & trading activities.
- If there is a direct error on the part of Italiano Tax Solutions, Inc., we will pay that portion of the penalty that you are assessed by the IRS or state. We will not be responsible for compensating you for the interest that you might be charged. This is with the understanding that you let ITS respond to all audits, letters and correspondence from the IRS and/or state.
- The law provides various penalties and interest that may be imposed when taxpayers understate their tax liability. You acknowledge that any such understated tax, and any imposed interest and penalties, are your responsibility, and that ITS has no responsibility in that regard.
- You understand that if your tax return is called for an audit, ITS will assess an audit fee. This fee is to assemble your completed records in the manner which is acceptable for an audit. You will be charged a reasonable hourly fee to prepare and represent you in your audit. The audit fee also includes the audit interview, assembling the organized data into our audit format and the actual audit. If your records are not presented in an accepted organized manner, ITS reserves the right to bill out at \$95 per hour.
